"This teaching and book were born out of over 30 years of ministry and being 'in the trenches' discipling men of all backgrounds and walks of life. Regardless of the symptoms a man may display, we all, including myself, suffer from the same root issues. My desire is to train men in how to build a Biblical arsenal to fight today's spiritual battle and become leaders on the front lines of the faith."

Praise for *The Knight's Code*

"Nothing is held back in this book. *The Knight's Code* pulls no punches and no subject is taboo. It provides Biblical answers and solutions to living out your life as God's man in our often twisted culture." —Mike Smith, Christian artist management

"*The Knight's Code* helps men have both a clear vision and workable plan of how to be the kind of man they were created to be—strong, courageous, compassionate, and relentless in pursuit of Kingdom purposes—to move from ordinary to extraordinary." —Ed Laymance, PhD, Licensed Professional Counselor, Licensed Marriage and Family Therapist

"I have read dozens of books written for men regarding matters of faith and nothing has hit the mark like *The Knight's Code*. This book is simple, powerful, and effective. We used it to start men's small groups at our church and the guys are showing up and talking about it!" —Greg Arnold, founder of M3 and Live Bold E-zine, consultant to United Methodist Men
